

Volunteer Drivers Needed

Please consider volunteering at the Coatesville VA Medical Center! There are many opportunities to help Veterans who proudly served our nation. The Disabled American Veterans (DAV) operate a transportation system that takes Veterans to medical appointments off the CVAMC campus.

If interested, call Mr. Lynn Jamison, DAV transportation coordinator at (610) 384-7711 ext. 3368. Mr. Jamison is located at the CVAMC DAV transportation office in Room B11B, Building 2. Feel free to give him a call or even stop by to learn more about the program.

And never forget... "Freedom isn't free"
